RayosPedia®

Senos Paranasales

Waters | Caldwell | Lateral

Waters

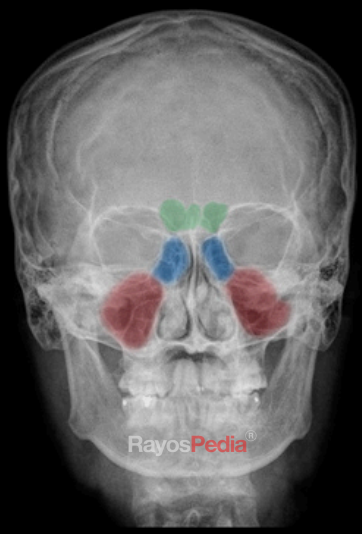
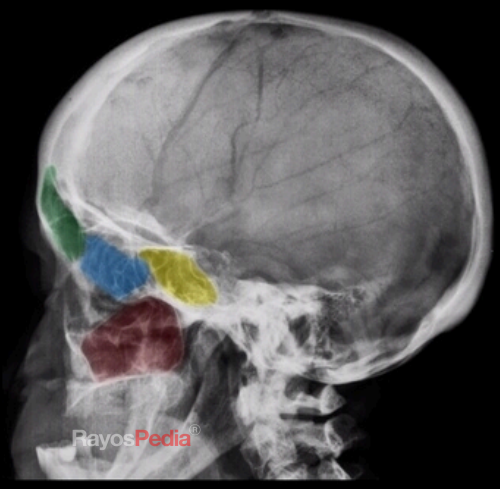
En la proyección de Waters se aprecia mejor la neumatización de los senos frontales y parcialmente los senos maxilares (mayor interposición de estructuras)

Caldwell



En la proyección de Caldwell se aprecia mejor la neumatización de las celdillas etmoidales y de los senos maxilares

Lateral



En la proyección lateral se observan los senos esfenoidales y el resto de los senos paranasales

- Seno frontal
- Seno maxilar
- Seno esfenoidal
- Celdillas etmoidales
